Dear Beray,

It is with great pleasure that we congratulate you for making the Dean's Honour List for the Winter 2025 term.

This important achievement is only awarded to those who have earned academic distinction by achieving a Term Grade Point Average of 3.5 or higher.

Your addition to the Dean's Honour List reflects your hard work, dedication, and motivation to succeed at George Brown College, and you should be very proud of your accomplishments.

We share your pride in earning this honour. Congratulations again, and we look forward to celebrating your future successes at George Brown College.

Sincerely,

Ana Rita Morais, Dean
Centre for Arts, Design and Information Technology
